Professional Summary

Results-driven Senior .NET Developer with **4+ years of experience** in designing, developing, and maintaining scalable web applications using **C#, ASP.NET, ASP.NET Core, MVC, SQL Server, JavaScript, AngularJS, and jQuery**. Skilled in building enterprise-level solutions, developing RESTful APIs, optimizing database performance, and implementing secure and user-friendly applications. Strong understanding of Object-Oriented Programming (OOP), Entity Framework, ADO.NET, and software development best practices. Adept at collaborating with cross-functional teams to deliver high-quality business solutions within deadlines.

Technical Skills

Programming Languages: C#, Object-Oriented Programming (OOP)

Frameworks & Technologies: ASP.NET, ASP.NET MVC, ASP.NET Core, jQuery, Bootstrap

Frontend: HTML, CSS, JavaScript

Database: Microsoft SQL Server

Tools: Visual Studio, Git, SQL Server Management Studio

Other Skills: REST APIs, Web Services, AJAX, LINQ, Entity Framework, ADO.NET

Professional Experience

Senior Software Developer

ACS Infotech Pvt. Ltd., Noida | February 2022 – Present

Project: Rights Management System (RMS)

Tech Stack: C#, ASP.NET MVC, Entity Framework, JavaScript, jQuery, Bootstrap, REST APIs

- Developed and enhanced enterprise web modules using ASP.NET MVC and Entity Framework.
- Implemented role-based access control and secure contract management functionalities.
- Designed responsive and user-friendly interfaces using AngularJS and Bootstrap.
- Integrated RESTful APIs to improve system functionality and application performance.
- Performed debugging, testing, and code optimization to enhance system stability.

Project: Dealership Management System (eDMS)

Tech Stack: C#, ASP.NET, ASP.NET Core 6, ADO.NET, SQL Server, JavaScript, jQuery

- Developed and maintained enterprise modules for automobile dealership operations.
- Migrated legacy ASP.NET applications to ASP.NET Core 6 to improve performance and maintainability.
- Implemented APIs for inventory management, invoicing, and order processing.
- Optimized SQL queries and improved database performance for better application efficiency.
- Collaborated with stakeholders to gather requirements and deliver solutions on schedule.

Education

- **Bachelor of Computer Applications (BCA)** – SPRC Degree College, CCS University | 2021 | 66.19%
- **Intermediate** – DAV Inter College, UP Board | 2018 | 62%
- **High School** – DAV Inter College, UP Board | 2016 | 71.3%
